Very quiet Heifers that went through the assessment process well

Handled With: Bikes , On foot

Assessor Comments: Presented to you are an impressive line of 12 Angus Heifers that are Millah Murrah Bloodlines on both sides. March April drop 2023. These Heifers are sired by Millah Murrah P207, and out of Large framed Millah Murrah Blood cows. Yard Weaned in early February and are very quiet. These heifers have excellent shape and would make ideal matrons of the future given the chance. NSM
