Assessor Comments	Quality line of stylish pure Rennylea and Bongongo blood Heifers, out of an outstanding herd of high fertility breeders. These heifers are the 1st draft after 100 were retained in the herd. The heifers carry a full lifetime traceability and have proven history of marbling and feedlot performance and were very good to handle through yards and crush. Genuine line of herd improvers. please note odd heifer showing sign of ringworm, deemed not detrimental to sale. Vendor has one other lot of heifers in this sale.
