Assessor Comments	An wonderful opportunity to purchase quality angus heifers direct from Merridale Angus that are surplus to their requirements. These heifers are sired by leading sires such as Alpine Rip Wheeler, Merridale Q108 and Merridale Plugger P109, with their mothers descending from cow families such as the Ester, Vicky, Stephanie and Wilcoola lines. These heifers would be ideal heifers to purchase and join to the bull of your choice as future breeders or could be grown out tpo heavier kill weights. Please note there was 3 heifers noted as having old pink eye scarring.
