Assessor Comments	The Surtees family offer 60 well bred Angus yearling heifers. Vendor bred, weaned and grass assured, with recent health treatments. These heifers have the temperament and breed quality to be a welcome addition to any breeding herd. Sired by Alpine Angus and Landfall Angus bulls, the heifers were observed cycling at assessment and would be ideal to join in the spring. Tail and faulty heifers removed at assessment. Please Note: There is 1 heifer that has a large patch of white hair on her belly.
