Assessor Comments: 25 NSM Future Breeders. A quality line consisting predominantly of medium to large framed heifers, this mob shows all

	signs of improvement to your breeding profiles. From their excellent temperament down to their genetic backgrounds this mob is well suited to inject some quality into your herd. Heifers have been very well handled & flowed through the assessment process with ease. An ideal buying opportunity for anyone looking to add some fresh breeders or the perfect article to start a your own program. Dave & Pauline are known for their decades of Angus breeding, handling ease, high growth and quiet natured cattle and have had many repeat buyers over the years. A confident purchase. Heifers have been kept up to date on Drenches and Vaccinations throughout, including 3 x 7in1 injections and a multimin dose. Through tough autumn conditions these heifers are in store and fwd store condition but won't take long before they are all ready to be joined to the Bull of your choice.
