Handled With	Calves were very easy to handle throughout the entire assessment process. Bikes , On foot , Vehicles
Assessor Comments	A small but very well bred line of Angus heifers sired by leading Milwillah Angus bulls out of Milwillah blood females. Heifers are showing good growth for age with adequate frame with plenty of potential if shown feed. Heifers display natural bone and shape and would be ideal to grow out as future breeders or to feeder/slaughter weights.
