Assessor Comments	A magnificent run of Angus steer weaners sired by Wilgunyah, Prime and Raff Angus bulls out of Anvil blood Angus females. Sires are commonly selected at the top end of their respected studs offerings, with the vendor having bred easy doing heavy boned cattle for many years. Steers are showing adequate growth and frame despite a young weaning and dry seasonal conditions with plenty of potential if shown feed. Traditionally this steer drop are grown to feeder weights.
