Assessor Comments	An attractive run of Angus heifer weaners sired by Wilgunyah, Prime and Raff Angus bulls out of Anvil blood Angus females. Sires are commonly selected at the top end of their respected studs offerings, with the vendor having bred easy doing heavy boned cattle for many years. Heifers are showing adequate growth and frame despite a young weaning and dry seasonal conditions with plenty of potential if shown feed. Heifers are ideal to background to feeder weights or grow out to join.
