Assessor Comments

5 - Well bred young B/Baldy steer calves that are well weaned & extremely quiet. They are vendor bred sired by a Langi Kal Kal bull over locally bred Allendale based Poll Hereford Heifers. These steers are Heifers first calves so weaned early. Ideal steer calves with all the work done here to tuck away for upcoming spring. Good loading facilities for either transport or trailer. Note Steers yarded 24 hours prior to weighing with access to straw.
