	All cattle in this lot are very well behaved good to handle through the yards. The cattle that are slightly stiry are not aggressive they are just uneasy when too much pressure is applied, once the pressure is released the cattle calm down.																		
Handled With	Bikes , Dogs																		
Assessor Comments	Buyers an opportunity to purchase a line of younger Brahman & Brahman cross breeders. These cows are part of the final Fortuna Pastoral Co herd dispersal. The Fortuna herd is based on leading Red Brahman genetics and is annually classed for fertility, temperament and do ability. These cows have exceptional temperament and worked through the yards with ease. Please ensure you note these cows are PTIC up to 3 months in calf as they have just had weaners taken off. Please note this vendor has several runs of cattle in the same sale, all of their lots have been pre treated with pour on for ease of clearing. Lovely breeders not to be missed.
