Assessor Comments	Buyers an opportunity to secure a line of predominantly Red Brahman breeders. This is the final offering from Fortuna Pastoral Co as they are dispersing the remained of the commercial breeding herd. These cows are out of a strong breeding herd with a big emphasis on Fertility, temperament and do ability this is part of the reason the Fortuna cattle are highly sought after from repeat buyers. This is a fantastic opportunity to secure young breeders boasting a wealth of breeding allowing potential buyers to purchase with confidence as they are buying quality females. Please note there is 2 cows that are black and 1 gray. This vendor has several lots in this sale and they are all pre treated for ease of clearing. All the hard work is done don't miss this opportunity.
