Assessor Comments	These are well grown Heifers for their age, they show plenty of length and depth and stand very well. They display plenty of style and thickness with the good Santa Hereford Cross traits standing out. Heifers have a positive preg test of 4 months and over by Chinchilla Vet services. All natural polled and bred from Remolea Hereford Bloodlines they have softness and will develop into big Cows. A nice draft of 18 Heifers that will continue to bred quality progeny. This is your opportunity to purchase a draft of young well developed breeders with the right cross calving to a Santa Bull. these type of Heifers are hard to find
