Assessor Comments	Opportunity to purchase 25 x 8-8.5year old classed in matrons from Churchill Pastoral. Cows are Scotts Angus & Kenny Creek bloodlines and are PTIC to Scotts Angus bulls, with a calf due mid August. This is a herd reduction due to the sale of vendors property in Tasmania. These cows stand up very well, given the season on the island , their calves only being weaned 4 weeks ago and the truck trip back to wagga. These cows will fit well into any angus herd. Vendor has 1 other lot in this sale.
