Assessor Comments	Opportunity to purchase 39 x 7.5 year old classed in matrons from Churchill Pastoral. Cows are Scotts Angus and Kennys Creek bloodlines and are PTIC to Scotts Angus bulls, with a calf due August. This is a herd reduction due to the sale of property in Tasmania. These cows stand up very well given the season on the island, and only having their calves weaned 4 weeks ago and the truck trip back to wagga. These cows will fit well into any angus herd. Vendor has 1 other lot in this sale.
