Assessor Comments	An outstanding line of well grown younger Hereford heifers with years of breeding. Deep in colour with good colouring and dark eye pigmentation. Well handled and being in calf to Te Mania LBW Angus Bulls which, for their first time is a major plus. Good to handle and will stand any inspection for quality. Heifers that are recommended to be purchased by experienced cattle people as the cattle move swiftly and can be slightly agitated through the yards when drafting them out singly. No worries to handle in paddocks.
