Assessor Comments	36 Te Mania blood Angus heifers PTIC to Keringa Angus bulls. Outstanding line of females due on their first calf at close to 2 years old. Cows were purchased in June 2022 from the western district of Vic as a dispersal line of aged cows, the sires of the dams have been selected from Te Mania exclusively for the past 15 years with a large emphasis being placed on temperament, calving ease, early maturity & IMF . This sale represents the complete drop of heifers from that calving. These heifers have been joined to the Keringa Angus sires R148 Pathfinder Goldmark and S166 Millah Murrah Nugget, top price bull and second top price bull at auction. Keringa sires are known for their calving ease and temperament. These heifers are very well bred and wont disappoint. Please note vendor has 7 Angus x heifers PTIC in sale also.
