Assessor Comments	A neat run of good quality Merino wether lambs. Lambs are May shorn. Lambs cut 2.5-3kgs of 16.4 micron wool and are expected to grow out to cut 18.5 micron wool. Bred to fill bales of quality wool. Boudjah Merino bloodlines. Lambs have all been mulesed and are OJD vaccinated. These lambs would be a welcome addition to any wool growing enterprise or to fatten, shear and trade. Lambs are in forward store condition , and would benefit from crop or grain. Only being sold due to vendors moving to WA. Please note: Agent can arrange freight to Riverina with weekly market trucks to Wagga. vendor also has another lot of 380 Merino wethers with a March skin in todays sale.
