Assessor Comments	Here is a great opportunity to purchase 527 SIL Ewes out of the Brentwood Merino Stud. These ewes have been joined to Brentwood rams. This a flock dispersal with over 70 years of breeding history, with rams being sold as far a Winton & Hughenden and throughout South West Queensland. As these ewes are mixed age there is a large percentage of red tag maiden ewes on offer. Ewes have been on agistment at "Abbieglassie" South of Mitchell since July 2021. They range from store to forward store condition, with a stylish jacket averaging 60mm. This opportunity does not come around often to purchase such bloodlines. Don't miss out.
