Assessor Comments	Excellent line of young ewes scanned 100% in lamb to start lambing in August. 53 Blue tags are 1 year old and 187 rising two year old. Ewes are full of quality being bred from top Red Hill Genetics. These ewes are long bodied heavy boned with depth to grow out into large frame breeders. All these young ewes are showing excellent shedding traits and are true to type for the Aussie White breed. A must to consider
