Assessor Comments	Buyers, a great opportunity to top up numbers as the season seems to be going our way. On offer are a quality line of 80 young 1st cross ewes which are scanned 100% in Lmb to poll Dorset Stud Rams. These ewes have been crutched and kept in good condition for trouble free lambing. They are due to start lambing on the 26/7/24. The ewes have received treatments of 7in1 B12 as well as Gudiar at marking.The vendor has been breeding 1st x ewes for a number of years and only purchases high end rams when it comes to joining . These ewes are a quality line and well worth a look .
