Quiet draft of weaner heifers, were a pleasure to draft out and assess, We had no problems with the whole process, they walked through the race to be weighed and walked easily back into mob without a problem

Handled With: Horses , On foot

Assessor Comments: A quality draft of weaner Angus Cross Heifers. These would be excellent Heifers for a Trade job or put in back paddock as future replacements. These heifers displayed good length and plenty of bone and should grow into big Heifers like their dams. These heifers have been treated on the 24th June. They will be inspected by a certified Inspector and have been approved. we have not had any problems in the past. This is the full weaner Heifer draft for this vendor. These are quality heifers and certainly will not disappoint. These heifers have been born & bred in Lantana Country
