Assessor Comments	A neat line of Angus, Wagyu & Black Simmental Cross heifers presenting in store condition. These heifers would be ideal for the restocker to raise to future breeders or for the backgrounder to grow out to feeder heifers. All heifers are genetically polled. The Robinsons have been strategically breeding cattle to perform for the domestic and export feedlot markets putting strong emphasis on marbling, growth rate, temperament, fertility & calving ease. The temperament of these cattle is an absolute credit to the vendor with the majority confidently being described as docile. Please note vendor has a line of 18 steers in the same sale.
