Notable Traits	Traits 1 Head Blue spot on eye 1 Head Wart on neck
Assessor Comments	Buyers, our vendor has presented for sale a small mob of mix bred steers of which half are vendor bred and half purchased trade steers. These steers were easy to handle through the yards and they would suit a backgrounder operation to take through to export weight. Steers present in fresh condition off lighter country that has recently endured heavy frosts and I would expect there would be plenty of compensatory gain if turned out to improved pasture or oats.
