Assessor Comments	Angus and Angus x Heifers. Heifers are in good store condition and are improving each day. Heifers have been out in hilly country and recently bought back to low country. Heifers are ideal to take on and feed or trade into feeder market in the near future. Good frame heifers with a bit of age on their side to do up quickly if given the opportunity. 2 cloudy blue eyes not detrimental. Vendor has 1 lot of heifers at same location and 1 lot at Dungog in same sale. To make up 4 decks total.
