Assessor Comments	2 Decks of Good Quality Angus and Angus x Heifers. Heifers are in good store condition and have been weaned and running in the hills. Wet coastal type conditions have forced the sale of these heifers. Heifers purchased to grow out and join in spring but have had to be sold early. Predominately Angus x Angus with a very approximately 3 heifers showing slight cross. Heifers should respond well if given the opportunity. 3 heifers have blue spot in eye. Vendor has 40 heavy heifers and 42 light weight heifers in same sale at different property
