| Assessor Comments | 124 Angus feeder steers, 100% of the steers were weighed and are all over 400kg full. these cattle were purchased out of |                                           |                                     |

Victorian weaner sales in early Feb and have performed really well since arriving. Steers are in store to forward store condition and would be ideal to put onto a crop of on feed. please note, 3 steers with white on naval, 4 steers with old pink eye scarring. Weighed at AFF at Warren full less 5%.

|                    |                                                                                                                                                                                                                                                                                                                                                                                              |                                                                                        |  |
