Assessor Comments	Good line of 8-13 month old Charolais and Charolais cross weaner steers presenting in store condition. Steers are well handled and are in perfect condition to go ahead on winter crop offering large compensatory weight gain. Steers handle very well through yards and have been educated well in paddock with dogs and bikes and side by sides. Please note: total of 160 steers in mob to be split into two mobs of 80 and delivered as a run out the gate
