	The bulk of the heifers were generally easy to handle, they flowed through the yards easily when drafting and processing. They have been constantly fed and are used to tractors, bikes, cars etc. However there was 3 heifers that did rush slightly in the race, and also moved about when on the scales (slightly stirry). Once back with the balance of the heifers they were quite calm.

Assessor Comments	A/C: Bruce Lynch offers a draft of well bred Angus heifers. Vendor bred, weaned and grass assured. Out of medium frame Angus cows by Rennylea Angus bulls. Spring 2023 drop calves that present in genuine store condition. Plenty of health treatments, heifers with plenty of opportunity for compensatory weight gain.
