Assessor Comments	A very tidy line of weaner black baldy heifers growing well given the dry autumn / winter they have been weaned into. Heifers are fresh - well grown, quiet and ready to grow onto future breeders or heavy feedlot cattle. They are Teys Grass Lands and Greenham Never Ever accredited & JBS Farm assurance. Odd heifer showing signs of ring worm on head or neck - not detrimental to their performance. Vendor has a further 56 Angus & Angus x steer weaners in this sale also.
