Assessor Comments	A great opportunity to purchase a quality line of quiet, weaned, Yarrawalla bred Angus heifer's sired by Lawsons GAR Genuine, Lawsons Momentous, Lawsons Dusty, Lawsons Gar Sunrise Rennylea Kodak and AI to Chiltern Park Moe. These heifers present in forward store condition, displaying good length and depth and are ready to leap ahead come spring. Out of a very good cow herd, with strong Lawson genetics, these heifer's would suit both a breeding or fattening operation. Please note the same vendor has a lot of 43 steer's and a lot of 26 steer's in this sale.
