Assessor Comments	Very good line of backgrounder steers usually retained to grow into heavy feeders. Vendor bred and have a strong reputation, tight weight range of only 23kg difference over the line. The line consists of 9 Charolais, silver in colour showing excellent frame in light wintery but healthy condition with 14 Angus (1 baldy and 1 with white blaze). Weighed to be a minimum of 300kg, a solid tail has been removed. Well suited to either grow on to a heavy feeder or grow right through to slaughter. Only selling now as feed conditions are tight. Please not vendor has a line of 40 Hfrs also in sale which would make a full 2 decks with proper cattle crate.
