Assessor Comments	Very good line of backgrounder heifers usually retained to grow into heavy feeders. Vendor bred and have a strong reputation. The line consists of 20 Charolais and Charolais/AA X, in wintery but healthy condition with 20 Angus. Weighed to be a minimum of 285, a solid tail has been removed. Well suited to either grow on to a heavy feeder or grow right through to slaughter. Only selling now as feed conditions are tight. Please not vendor has a line of 23 Steers also in sale which would make a full 2 decks with proper cattle crate.
