Docile: 33 head	Docile: 18 head	Temperament not assessed in Paddock
Quiet: 55 head	Quiet: 64 head	
Slightly Stirry: 2 head	Slightly Stirry: 8 head	

Years of breeding on temperament shows through with these heifers exceptional to handle. In the yards it was easy to walk through the mob comfortably in very close proximity without heifers moving off. A small percentage became slightly agitated in the headbail during mouthing however settled quickly and easily once assessed.

Assessor Comments	A very tidy 3 deck unit of Commercially accredited Droughtmaster Heifers from the highly regarded "Telemon Droughtmaster" commercial herd. Buyers please note this is a run of 6 decks of heifers in this draft being sold as 2 x B-Double lines and split by the swing of the gate. A fantastic opportunity to purchase a line of highly fertile, polled heifers with proven genetics for fertility, growth and temperament. Bred for more than 50 years with these key indicators in mind its easy to picture how well these girls will go on and become a beautiful line of breeders. 100% reds and honeys and 100% with polled or scurred heads these heifers are ideal to take on as future breeders. Highly functional and fertile heifers with moderate frame, excellent temperament and good conformation. Un-joined and ready to put with the bull of your choice these heifers would be an asset to most breeding enterprises and boast some of the highest regarded Droughtmaster genetics in the north.
