Assessor Comments	Buyers 50 predominantly straight grey Brahman Steers. These steers are only being offered due to the sale of “Enryb” they had been originally purchased to take advantage of the great season and had been aimed at growing out to heavy feedlot entry weights. These steers are ideally suited to growing to either export bullocks or taking onto the feedlot. Steers present well and have performed well since arriving. Please not vendor also has 216 steers in the same sale. Odd steer noted with some fly scar. Steers very clean around the heads. Vendor is willing to leave the few coloured steers out of the sale. Please speak to agent prior to the sale.
