Assessor Comments	Buyers, on offer are 92 weaned GQ Vendor bred Angus, Black Simmental, Brangus cross infused heifers, Heifers would be ideal to put away and take through to heavier feeder/kill weight at a young age. Heifers stand on good bone and show plenty of length whilst still showing good femininity, heifers would suit all your domestics/export markets whether it's in the feeder or processing grids, Heifers could also be retained as future breeders and joined to a bull of your choice when the time comes. Buyers please note I have deducted an additional 3% off 16 hr curfewed weight due to weaning process, *Buyer please make own judgement*. Weaners will be on good quality hay in yards until delivered. This is your opportunity to buy weaned heifers with plenty of compensatory weight gain to be had. Buyers please note vendor has steers in same sale.
