Stirry: 25 head

Cattle worked well through the yards and have been extensively handled in the paddock with dogs and bikes. When put under pressure within the confines of the yards they would become agitated and restless until returned to the mob.

Handled With

Bikes , Dogs , Horses , On foot , Vehicles

Assessor Comments

Attention buyers, a quality line of Brangus cross steers that are weaned and ready to power ahead. These steers have been on native pasture since weaning and are ideal to be grown out to be finished on grass, grain or crop. A great line of steers that are ready to perform.
