Heifers were good to handle in and around cattle yards. Vendor has done a good job thoroughly handling heifers through yards. Cattle were also a pleasure to take photos and videos in large holding paddock.

Assessor Comments On offer a small but handy line of weaned Angus heifers, weighing 218 - 309Kg to average 272Kg. Heifers present in forward store condition and have been grazed on a fresh oats paddock. Heifers are out of medium to large frame good quality angus cows with bloodlines of Onslow, Millwillah and Yamba angus. Heifers would be ideal to take home and put straight on an oats crop to take out to future breeders or feedlot. Cattle were running with cows on a Western lease block and brought back home and weaned. For further information please call.
