Assessor Comments	A neat 2 decks of high quality feeder Angus x Angus steers weighed into a tight weigh bracket. All steers have been treated with their first Coopers Bovilis MH+IBR and have recently had a 5in1. Steers are currently powering along on a decent forage sorghum crop and are certainly not overdone. These steers are the lead out of 196 total purchased of the renowned Moroco West at Deniliquin. These steers are real performers and will not disappoint.
