Assessor Comments	3 Decks of 90 Red Santa, Hereford and Red Angus typed heifers that have been VET PTE. Heifers that have been bred in Southern Qld and Northern NSW, that now all present as a similar typed red line of heifers, with some very good compensatory gains for the purchaser. Buy with confidence as these heifers are PTE and now ready to go onto good grass or crops for a top up into feeders. A big day in the yards preg testing and then to follow up being photographed the following day. They are also being offered with 90 PTE Charolais X heifers and 60 PTE Coloured heifers. There is an opportunity for the purchaser to top up another deck with other cattle to be discussed with the selling agent. There are 3 heifers that do have blue eye scaring and 6 head that have rub marks on the rump. Please take note of the delivery comments. If there are any questions on extra cattle or enquiry is advised by selling agent.
