Assessor Comments	Exceptionally good quality steers showing good bone, length and frame presenting in strong store to forward store condition. Well weaned & educated 1-2 weeks by sale day they are expected to grow well and perform to their potential on good feed. Assessed in two lots - 66 by Bauhinia Park Angus & poll Char bulls from Charolais & Char/Charbray and a small number of brahman cows and the second are 31 by Bauhinia Park Angus & poll Brangus bulls from Brangus cows - all good soft steers. The Glenaras cows are top quality & large frame. The photos show the mob characteristics. Again these steers are very docile and great to handle.
