Temperament	Yards	Crush	Paddock
	Quiet: 37 head	Quiet: 34 head Slightly Stirry: 3 head	Temperament not assessed in Paddock

Cattle worked well through yards and crush, have had quite a bit of handling through yards. Some cattle became slightly agitated when in the crush (not unusual), when let out they settled back to the mob quickly. Overall a good mob of heifers to handle.

Handled With: Bikes

Notable Traits

	Traits
5 Head	Brown tinge in coat
2 Head	Rub on neck from cable at bunk
1 Head	Small amount of white around udder area
1 Head	Small twisted nose

Assessor Comments: Buyers here is a mob of outstanding quality heifers, these heifers are by Tex Angus bulls and out of a very carefully selected Angus maternal line. These heifers have had all the hard work done, weaned and handled and ready to be put into a breeder herd and join to bulls of your choice when at desired age and weight. These heifers would also make great heifers to put away for buyers looking to background for domestic feedlots or to be grown out on grass or crops.
