Assessor Comments	An excellent line of 71 vendor bred angus x weaner heifers. Heifershave been weaned and in store condition and will perform on any pasture. Heifers are out of mainly angus and santa cows by stud Nindooinbah and Texas angus bulls, have all been worked with dogs at weaning and have had two doses of 7in1. A handful of heifers appear to have slight scarring from flybite or some ring worm but this is not detrimental to their health Please note the steers to these are also on offer.
