Assessor Comments	A line of mostly very good quality vendor bred heifers. 70% medium framed with one head large framed and four small framed. Heifers are sired by Moorobie Angus bulls over Angus & Angus/Hereford cows. Heifers have not had access to any grain or cotton seed and are PCAS eligible. Heifers over 180kg (19 head) were preg tested by a registered vet 15/07/24 and rephotographed at preg testing. All are NDP. Cattle were weighed after a long curfew, they were mustered the night before assessment, taken off their Mothers at 8am day of assesment and were assessed at 2pm. Heifers have also had two 5 in 1 vaccinations. Please note one heifer with slight amount of blue eye in one eye. The brothers of this line are also in this same sale. Located 5km East of Goondiwindi on the Cunningham Hwy. Weekend pickup available, vendor would prefer to load before Tuesday morning, 48 hours notice required prior to loading.
