Assessor Comments	Buyers here presents an opportunity to purchase an outstanding line of F1 Weaners. These Heifers are out of an outstanding line of Angus Breeders by a great run of Wagyu Sires. Sires consist of Sumo, Salisbury, Lyonbank, Mooroobie, Sunland & Edwards Wagyu Bulls. Given the opportunity on good feed these heifers are sure to take off. These heifers show outstanding shape and style for an F1 weaner which is a true credit to the quality of the Brazil Angus cows. These cattle are exceptionally well handled and are sure to impress buyers. Please note 2 Heifers had old blight scarring and 2 heifers had a white underline around flank & udder. This is all of no detriment to the cattle at all. For more information on the Brazil Angus herd or the Wagyu Bulls used, please contact me. A great line of cattle not to be missed.
