| Assessor Comments  | Buyers, here is an extremely even, well bred line of weaned EU Angus steers that ave 273kg. Steers show tremendous bred type with thickness, depth of body and volume. Steers are very soft smooth easy doing types with great length and skin. These steers are out of medium to large frame Angus cows selected for high marbling averaging 6.87 for IMF at joining. Steers are sired by Milla Murra, Ben Nevis, Knowla & Trio stud Angus sires. These steers were extremely quiet to handle through the yards. MRH cattle are highly sort after for there performance on grass and grain being sold to repeat buyers. Steers are antibiotic free and grass only eligible. Note 2 steers small white underline from sheath back, 1 steer small spot of old blue eye scarring but not detrimental. |                                  |                                        |
| Assessor           | <b>Russell Jorgensen (Level 1 Accredited)</b> Phone: 0428 880 411                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                                  |                                        |
