Assessor Comments: On offer are 15 vendor-bred Angus steers. These steers are 11-12 months of age with an average live weight of 320 kg at assessment after a 5-hour curfew. These steers will continue to grow into heavy feeder weights or export weights given the opportunity. Steers worked well through yards and crush. All steers have been weaned, making them great candidates to fatten on crop or good-quality pastures. Please note the same vendor will offer 22 Angus heifers in the same sale.
