Assessor Comments	On offer is an excellent parcel of F1 feeder steers. Out of Millah Murrah blood heifers AI'd to Focono OWFPK00139 Wagyu bull. Showing excellent structure and frame for their age and breed, will continue to grow into a feedlotter's delight. The present in a good forward store condition, coming off improved pasture and crop with a grain ration ad-lib. Easy to handle through the yards, they are free moving steers that settle down nicely outside. Ideal cattle to go into the F1 feedlot market with some of the leading genetics in both sides of the lineage. Don't miss out on this opportunity for the F1 market.
