Cattle generally good to handle throughout yards at assessment. Odd steer didn't appreciate the confinement of the crush environment but was quick to settle upon leaving.

Handled With	Bikes , Vehicles
Assessor Comments	Very well bred line of Blk limo steers showing all the quality traits the breed desires. They present evenly, are well grown and display good muscle with adequate softness. Vendor runs his limousin herd on the south coast with the progeny coming back to the tablelands at weaning to be grown out. Ideal to carry through to feeder or present back to the trade.
