Assessor Comments	Very well bred line of Blk limo heifers showing all the quality traits the breed desires. They present evenly, are well grown and display good muscle with adequate softness. This sale represents the lead draft with no females being retained this year. Vendor runs his limousin herd on the south coast with the progeny coming back to the tablelands at weaning to be grown out. . Heifers would make ideal future breeders if desired with vendor being fastidious in acquiring his limousin genetics
