Assessor Comments	A great even line of Angus cross heifers off "SnowVale", presenting in fresh forward condition with good bone and shape. These heifers present exceptionally well and would suit either buyers looking to expand their breeding operation with some extra hybrid vigor, or these heifers would suit domestic and export markets. Coming out of a herd focusing on calving ease, good growth rates, and good temperament, these heifers are set to perform. All animal health treatments are up to date. **Grass-fed eligible** **Vendor has another lot in the sales** . These heifers are presenting very well in tough winter and current seasonal conditions.
